2023 2024 **School Supplies**

Dear 2023 2024 New Families

For the next school year, our teachers will shop for your child’s school supplies. They will keep the supplies in the class and hand it out to students over the 2023 2024 school year. This saves you money and keeps everything equal and fair for kids.

The cost of school supply packs is **\$55 per child**. You can order and pay for the pack on school cash online.

For families wishing financial support, we have grant money that can be used to help pay for school supplies before June 1, 2023.

Please circle 1 of the following options and return with your registration:

- a. Our family will pay for the \$55 school supply pack (www.schoolcashionline.com)
- b. My family would like help paying for school supplies from a school grant (providing funds are available)

Please complete 1 form for each child in the school. You can also email this form to terryFox@abbyschools.ca

Child’s Name _____ grade for 2023 2024 year _____

Parent’s name _____ Your Signature _____

Sincerely,

Angela Magon,
 Proud Principal of Terry Fox Elementary
